We have lost our light
It doesn't shine bright
Anymore
These became our ways
Fighting day and day
Like a war
Things like this
They often slide by
Everyone seems lost and hopeless
Look outside, we will find the light
Change the world and give it hope

Why did we forget
Why did we collect
This world's hate
Let it all to rest
We must not regret
This world's fate
In the end,
We can get along
Only one heart must start reaching
Out for all, this is how it goes
Find our one Paradise.
